Officials working in the Food Deptt who have their lien on permanent appointments in other depts of Govt should have be allowed the scales of pay admissible to them under the revised orders in their own depts, together with a deputation allowance of 20 per cent – is also reasonable as it is only a restatement of the provisions of the Mysore Service Regulations, [Art 57 of the M.S.R.] These two proposals were strongly supported at a meeting of the Deputy Commissioners held on 8/1/48, under the chairmanship of the Chief Minister, and might be approved with financial Concurrence.

To

Secretary to Government, Food & Civil Supplies
Department, Bangalore.

SIR,

Subject: Revision of scales of pay of the Food Establishments in the Districts.

--

Adverting to Government Order No. Fl.2357-2416-S.& A.25-47-14 dated 3rd October 1947 issuing instructions re. the grant of revised scales of pay to certain classes of the non-gazetted staff in the temporary Departments and stating that separate orders would issue re. other classes of posts in these Departments, I have the honour to state that the question of revision of scales of pay of the Food Establishments in the Districts was considered at the meeting of the Deputy Commissioners held in this Office on 10th December 1947 and it was unanimously resolved that the minimum scales of pay sanctioned to other Departments for graduates and non-graduates may be made applicable to the Food Department also and that officials working in the Food Department, who have their lien on permanent appointments in other Departments of Government should be allowed the scales of pay admissible to them under the revised orders in their own Departments, together with a Deputation Allowance of 20 percent. This was considered necessary in order to prevent officials from asking for reversion to their permenent Departments, and in order to make it worthwhile for them to remain in the Food Department at this critical time. It was also resolved that this revision should be given effect to from 1st January 1947. The Deputy Commissioners were also of the opinion that urgent orders of Government are needed in this behalf, as officials in the Food branch are anxious to revert to their original department and are urging relief.

As the need for revision of scales of pay of the non-gazetted employees of the Food Department is as imperative and urgent as in the case of the other Departments, and as several anomalies have resulted owing to the fact that the minimum scales for graduates and non-graduates sanctioned for other Departments has not been made applicable to the Food Department, I request that sanction of Government may be kindly obtained to the above mentioned proposals with effect from 1st January 1947.

I may add that these proposals have the concurrence of the Auditor & Accounting Officer of this Department.

I have the honour to be,
Sir,
Your most obedient servant,

17/12/47

DIRECTOR OF FOOD SUPPLIES.
